

Rainbow Planet – Royton and Crompton's very own LGBT+ group **virtually**

Rainbow Planet

Rainbow Planet group at Royton and Crompton has existed for 4 years. We have met on a weekly basis during a lunchtime.

This year that is a little difficult so to start with we are going to run Rainbow Planet through TEAMS as a group. Events in the past have included bake sale, social lunches, a talk on trans gender, helping the academy to gain Rainbow Flag status, assemblies and work in lessons.

If you identify as LGBT OR if you are an ally (have friends, family or simply support our LGBT community) then this group could be for you.

Request to join the group or see Mrs Mulgrew for more information.

What: A safe and friendly online space.

Who: Members of Royton and Crompton LGBT+ community and supporters (allies).

When: Through your TEAMS log in

Where: Search for Rainbow Planet group on Royton and Crompton TEAMS or email/contact Mrs Mulgrew
