## Introduction

If you would like this report as an audio recording you can download a reader for free at <a href="http://www.naturalreaders.com/">http://www.naturalreaders.com/</a> or simply open the link and click + documents then drag the file into the box. A glossary of terms and SEND acronyms is also included at the end of this report.

For a link to the local authorities' local offer please click this link: <u>Children and young people with</u> SEND (Local Offer) | Oldham Council

You can find the most up to date SEND Code of Practice via: <a href="https://www.gov.uk/government/uploads/system/uploads/attachment">https://www.gov.uk/government/uploads/system/uploads/attachment</a> data/file/398815/SEND Code of Practice January 2015.pdf

Our SEND policy can be found on the academy website: <u>Supporting our SEND students - Royton and Crompton Academy (e-act.org.uk)</u>

E-Act Royton and Crompton Academy is a mainstream setting and member of E-ACT Multi Academy Trust. We are a fully comprehensive, non-selective academy. We believe that all learners should be valued as individuals. We have an inclusive ethos underpinned by our trust values of Think Big, Do the Right Thing and Team Spirit. We offer a broad and balanced academic curriculum. Teaching is adapted to incorporate individual needs and we have in place systems to enable the early identification of barriers to learning and participation. We work hard to ensure equal opportunities for all.

Special educational provision is provision that is 'additional to and different from' that is made generally for others of the same age. This means provision that goes beyond the differentiated approaches and learning arrangements normally provided as part of high quality, personalised teaching. It may take the form of additional support from within a setting or require involvement of specialist staff or support services. All teachers are teachers of learners with SEND and as such provide quality first teaching which takes account of the individual needs of learners with SEND in their class.

# The Four Main Areas of SEND

The Special Educational Needs and Disability code of practice: 0 to 25 years states that there are four main areas included in Special Educational Needs and Disability

The boxes beneath highlight some potential areas of challenge and or difficulty. It is worth

remembering that these can also be strengths and should be encouraged wherever possible.

Area of Special	
Area of Special Educational Need	Relating to difficulties with:
Communication & Interaction	Children and young people with speech, language and communication needs (SLCN) and or autism spectrum disorder (ASD) may have difficulty in communicating with others. This may be because they have difficulty saying what they want to, understanding what is being said to them or understanding the use of social rules of communication. Learners may have:  Attention / Interaction skills:  May have difficulties ignoring distractions.  Need reminders to keep attention.  May need regular prompts to stay on task.  May need individualised motivation in order to complete tasks.  Difficulty attending the whole class.  Interaction will not always be appropriate.  May have peer relationship difficulties.  May not be able to initiate or maintain a conversation.  Understanding / Receptive Language:  May need visual support to understand or process spoken language.  May need augmented communication systems  May have frequent misunderstandings.  Repetition of language and some basic language needs to be used to aid their understanding.  Speech / Expressive Language:  May use simplified language and limited vocabulary.  Ideas / conversations may be difficult to follow, with the need to request frequent clarification.  Some immaturities in the speech sound system.  Grammar / phonological awareness is still poor and therefore their literacy can be affected.
Cognition & Learning	Support for learning difficulties may be required when children and young people learn at a slower pace than their peers, even with appropriate scaffolding. This could include areas of need such as Specific learning difficulties (SpLD) e.g. dyslexia, Moderate learning difficulties (MLD), Severe learning difficulties (SLD) or profound and multiple learning difficulties (PMLD). Learners may have difficulties with:  Language, memory and reasoning skills Sequencing and organisational skills An understanding of numbers Problem-solving and concept development skills Fine and gross motor skills Independent learning skills Exercising choice Decision making Information processing

Social, Mental and Emotional health	Children and young people may experience a wide range of social and emotional difficulties which manifest themselves in many ways. These may include becoming withdrawn or isolated, as well as displaying challenging, disruptive or disturbing behaviour.  These difficulties may lead to or stem from:  Social isolation Behaviour difficulties (ODD/EBD/PDA) Attention difficulties (ADHD/ADD) Anxiety and depression Attachment disorders Low self esteem Issues with self-image Emotional based school avoidance (EBSA)
Sensory and / or Physical	These learners may have a medical or genetic condition that could lead to difficulties with:  • Specific medical conditions • Gross / fine motor skills • Visual / hearing impairment • Accessing the curriculum without adaptation • Physically accessing the building(s) or equipment. • Over sensitivity to noise / smell / light / touch / taste / Toileting / self-care.

## Waves of Intervention

The academy provides a range of "ordinarily available provision" to meet the needs of all of our learners. This is a graduated response to each learner dependent on the level of need. These are often referred to as waves of intervention.

Wave 1

• Adaptive teaching through differentiation in lessons.

Wave 2

•Small group support for those learners who are achieving below age expected levels.

Wave 3

•Focused, individualised programmes for learners working well below age expectation.

# **Key Questions**

	The SEND Coordinator is: Mrs McDermott.
Who is the Special Educational	Contact details:
	Phone: 01706846474
Needs Coordinator?	Email: <u>ERACA.enquiry@E-ACT.org.uk</u>
Coordinators	We also have a Deputy SENCO: Mr Worsley and SEND Administrator, Miss Smith.
	E-Act Royton and Crompton Academy is a split site of 4 buildings and a sports hall. The main building is 3 storeys and contains a lift ensuring there is access to each floor. There are disabled toilet facilities and changing area facilities in the hygiene room as well as a lift providing access to all floors. The exterior of the building features ramps to allow access to the MUGA.
How accessible is the academy site?	The academy will take account of the needs of pupils and other users with physical difficulties and sensory impairments when planning and undertaking future improvements and refurbishments of the site and premises, such as improved access, lighting, acoustic treatment and colour schemes, and more accessible facilities and fittings.
	You can find our accessibility plan here: <u>Supporting our SEND students - Royton</u> and Crompton Academy (e-act.org.uk)
	All teachers will be informed of your child's individual needs and will seek to adapt their lessons accordingly.
	Within the academy, there are a variety of staff roles to support your child.
How will	As an academically focused academy, the overwhelming majority of our learners follow a traditional curriculum. However, a small number of learners could have a more personalised curriculum to meet their individual needs, interests and abilities. Personalised curriculums will be through discussion with academy headteachers, SENDCo's and where appropriate, local authority caseworkers if an EHCP is present or in the process of being awarded.
academy staff support my child?	Where the academy considers it necessary, a learner may be offered additional intervention, in which case you will be informed via letter that this is being completed.
	There are a range of interventions and additional subject support which are ordinarily available, and should your child need this, it would be discussed with you directly. This will form part of the Assess-Plan-Do- Review process (diagram included at the end of this report).
	Wave 1 interventions:
	Adaptive teaching (within the classroom)
	Scaffolded tasks

Guidance to staff on how best to support all needs within the classroom.

#### Wave 2 interventions:

Communication and Interaction	Cognition and Learning
<ul> <li>Communication Groups</li> <li>Friendship Groups</li> <li>Lego Therapy</li> <li>Sport Therapy</li> <li>Talking Partners</li> <li>Oracy Support</li> </ul>	<ul> <li>Fluency interventions</li> <li>Group Reading – comprehension</li> <li>Group Reading – Phonics</li> <li>Math support</li> <li>Handwriting Support</li> <li>Maths Club</li> <li>Lexia Online Group</li> </ul>
Social, Emotional and Mental Health	Sensory and Physical needs
<ul> <li>Dealing with Anxiety support group</li> <li>WOW sessions – wellbeing support</li> <li>Penn Resilience Groups</li> </ul>	<ul> <li>Sports and PE support</li> <li>Independent living support</li> <li>Transport support</li> </ul>

## Wave 3 interventions:

Communication and Interaction	Cognition and Learning
<ul> <li>1:1 counselling session</li> <li>CAMHS support (external)</li> <li>TogMind (external)</li> <li>Managing AHDH support</li> <li>Social Stories</li> <li>SALT (external)</li> </ul>	<ul> <li>Exam access arrangements</li> <li>Passports</li> <li>1:1 targeted academic intervention</li> <li>1:1 phonics</li> <li>1:1 numeracy</li> <li>Dyslexia/Dyspraxia support</li> </ul>
Social, Emotional and Mental Health	Sensory and Physical needs
<ul> <li>1:1 crisis support</li> <li>Keyworker</li> <li>Time out passes</li> <li>Consequence support – reasonable adjustments.</li> <li>Mental Health First Aiders</li> </ul>	<ul> <li>Sports and PE support</li> <li>Independent living support</li> <li>Transport support</li> <li>PEEP plans</li> <li>Vision and Hearing Support Service (External)</li> </ul>

Our graduated response can be found in our SEND strategy document here: Supporting our SEND students - Royton and Crompton Academy (e-act.org.uk)

How will the academy identify if my

Following completion of baseline assessments on entry to the academy the results will be analysed by the SENDCo as the 'Assess' element of the graduated approach. From these assessments, it will be identified if they require specific support or provision.

Referral to EP SALT   CATS   CATS   NoRT   Redward adata   NoRT   NoRT   Redward adata   NoRT   NoRT   Redward age   Redward and   NoRT   NoRT   Redward age   Redward adata   NoRT   NoRT   NoRT   Redward age   Redward adata   NoRT   NoRT   Redward age   Redward adata   NoRT   NoRT   NoRT   Redward adata   NoRT   NoRT   NoRT   NoRT   NoRT   Redward and   NoRT   NoRT	child has a	Con	mmunication	and Interaction	Cognition a	nd Learning	]
How are academy resources allocated and matched to children's special educational needs?  We have a SENDCO, a deputy SENDCO and a HLTA that coordinate the support our SEND children receive. We have an onsite Mental Health and Wellbeing Co-Ordinator and a specialist literacy teaching assistant. We also employ a team of highly dedicated and specialist teaching assistants to support our students both academically and socially. This is through both in class support and bespoke CPD package for all teachers to ensure that Quality First Teaching is continuously reviewed and in line with the needs of all.  All Parents will receive a termly report from subject staff. Parents' evenings are held at specific points in the year and in addition to these the SENDCo is available for parents to request a meeting. This will be either virtually or in person depending on availability.  Learners with an EHCP can highlight key information that they parents/carers' views are a vital part of the review and therefore request parental/carer attendance at the meetings and the completion of parental paperwork prior to the meeting.  We value and celebrate children being able to express their views on all aspects of school life. Learners are encouraged to share issues with:  Class teacher Form Tutor					• CATS	Academic data

If your child has an EHCP, their views will be sought before review meetings. Those with an EHCP can highlight key information that they wish staff to be aware of, including how to best support them within the classroom. This will be added to their passport and be available for all staff to view and implement.  We value and celebrate children being able to express their views on all aspects of school life. Learners are encouraged to share issues with:  Class teacher  Form Tutor				1			
highly dedicated and specialist teaching assistants to support our students both academically and socially. This is through both in class support and bespoke interventions.  We also provide a bespoke CPD package for all teachers to ensure that Quality First Teaching is continuously reviewed and in line with the needs of all.  All Parents will receive a termly report from subject staff. Parents' evenings are held at specific points in the year and in addition to these the SENDCo is available for parents to request a meeting. This will be either virtually or in person depending on availability.  Learners with an Education and Health Care Plan (EHCP) will have regular meetings (as required) with the SENDCo together with an Annual Review in line with the Code of Practice 2015 (updated). We consider that the parents/carers' views are a vital part of the review and therefore request parental/carer attendance at the meetings and the completion of parental paperwork prior to the meeting.  If your child has an EHCP, their views will be sought before review meetings. Pastoral Year Leads		Pastoral Year	Leads				

Head of Year SENDCo: Mrs McDermott Deputy SENDCo: Mr Worsley Learners are encouraged to: • Attend extra-curricular clubs Take an active role within group activities Take part in pupil voice activities Attend review meetings Contribute to target setting and reviewing All staff receive training to deliver high quality pastoral care. The academy adopts a whole school approach to ensuring that all learners make excellent academic progress, and their individual needs are catered for. The Academies Pastoral Support Team specialises in the area of child welfare and is the first port of call for staff, learners and their parents who require advice, support and guidance regarding wellbeing. Attendance is rigorously monitored, and support put in place where needed. If attendance falls, you will be contacted by the academies attendance officer and, where necessary, additional support will be implemented to boost attendance. What support We also offer Wellbeing Interventions that are bespoke for each child and led by will there be for our Wellbeing Lead. my child's overall The academy is mindful of the need to safeguard the wellbeing of all learners wellbeing? and management of first aid arrangements will be undertaken in such a way as to ensure there is adequate training of staff, provision of first aid equipment and recording of first aid treatment. The academy also writes health care plans with parents and shares all relevant information with staff. This is done through a formal review meeting with the Deputy SENDCo or the SENDCo. If you child has a keyworker assigned, they will be present too. If your child finds lunch or break times tricky, they may be given access to a quiet space to support this. They may also have access to our dedicated SEND area, The Bridge. We have access to the following specialist services and expertise: School nurse Counselling What specialist services and Mentoring expertise are **ELSA** available or accessible by Young Carers - accessed externally the academy? Medical - GP, Hospital NHS outreach **Bereavement Counselling** 

	Educational Psychologist				
	Mental Health – CAMHS / COBS etc				
	Social Services				
	Where a learner has an EHCP, the academy maintains close liaison with professionals that are involved from the local authority such as specialist teachers, Speech and language therapists and occupational therapists.				
	All teaching staff have qualified teacher status or are working towards this through a recognised training provider. Training for staff supporting learners with SEND is considered essential by E-ACT. There is an ongoing programme of training for Teaching assistants within SEND that is completed at an academy level but also from a Multi-academy Trust (MAT) perspective.				
What training have staff supporting learners with SEND had or are having?	SEND forms part of the new staff induction programme for ECTs or teachers new to the academy. In addition, there is regular training in first aid, child protection and safeguarding, mental health and wellbeing, and any looked after children on roll.				
	Advice and guidance from outside agencies is shared with teaching staff. At the start of the year all staff are made aware of the learners with identified SEND and how to find information relating to them to best support them in and out of the classroom.				
	All staff have access to support plans or passports via provision map detailing specific strategies and interventions which best allow them to support everyone within the classroom.				
	All staff running trips are trained by the schools Education Visit Coordinator and must complete risk assessments including specific				
How will your child be	details of how to support learners with SEND.				
included in activities in the classroom?	All learners are encouraged to be fully involved in all areas of school life. Where appropriate, those with an Education and Health Care plan will be supported to ensure access and participation and appropriate reasonable adjustments made.				
How will needs be accommodated for external	All clubs and trips are open to learners in line with a suitable risk assessment being carried out. Individual arrangements will be discussed with parents in advance.				
trips and visits?	Where a learner has a physical/medical need/s, any issues around trips and activities will be discussed in advance and addressed with				
	parents. This includes overnight and residential visits.				
How will the academy prepare and support my child to transition to and from the academy?	For learners transitioning to a new educational phase, we liaise with previous schools/settings and/or teachers and provide additional transitional support if it is needed. This is arranged on an individual basis and tailored to the needs of the learner/s. Meetings with the SENDCo are available at parents' request and encouraged for all learners attending with an EHCP.				

We pride ourselves on ensuring that all children feel welcomed to the academy. We provide transition days, open days, and enhanced transition visits where appropriate. We also run a parent partnership evening for each year group every academic year in order to ensure that we work as a team to support all students. If a learner has an EHCP then the SENDCo or the Deputy SENDCo would want to be present at the annual review meeting to support target setting and be introduced to all professionals supporting the learner and establish an early relationship. The following points of contact are available at E-ACT Royton and Crompton Academy: YEAR YEAR LEADER PASTORAL LEADER SLT LINK ATTENDANCE GROUP LINK Mr Collinge Mr Topham Miss Jacob S. If not, then in the first instance contact the Pastoral Year Leader who may refer your concerns to a more senior member of staff where required. If your concern relates to your child's special educational need/s, please contact the Deputy SENDCo directly. Should you wish to make a formal complaint regarding an issue at the school please follow the complaints policy, which can be found on the academy website: Policies - Royton and Crompton Academy (e-act.org.uk) We need you to support us by encouraging your child to fully engage with their learning and any interventions offered by: Helping them to be organised for their day (including bringing the right How else can I equipment and books) be involved? Full attendance and good punctuality Supporting with reading at home • Completion of homework Attending parent's meetings

· Attending any meetings specifically arranged for your child

	Ensure that any interventions to complete at home are encouraged and supported
What support is there for improving behaviour, attendance and avoiding exclusion?	As an academy, we have a very positive approach to all types of behaviour with a clear reward and sanction system that is followed by all staff. If a child has behavioural difficulties a Personal Support Plan (PSP) is written alongside the child to identify the specific issues, put relevant support in place and set targets. This document is the responsibility of the pastoral leader and reviewed as agreed at the first meeting.
	The attendance of every learner is monitored daily. Lateness and absence are recorded and reported on. Good attendance is actively encouraged throughout the school. If a learner's attendance falls below 97% (academy target), contact will be made by the school in the form of a letter / telephone call. In extreme circumstances the academy may use the support of E-ACT's Behaviour and Attendance team.
	The National Director of SEND and Primary SEND specialist complete termly assurance with every academy which is reported on to E-ACTs education committee on a termly basis. The National Director of SEND also meets regularly with the SEND trustee to report on statutory duties.
How is the Trust's Governance involved and what are their responsibilities ?	The SENDCo provides assurance reports to the National SEND director and Primary SEND specialist as per assurance cycle. They are kept informed about SEND developments and take an active interest in the work of the SEND departments across E-ACT. The SEND trustee does not have access to information about individual learners or become involved in individual cases.
	In the unlikely event that a concern cannot be resolved by the SENDCo and/or the headteacher then the E-ACT SEND team can be contacted at the request of parents.

## Additional information

Please find below a model of the Assess, Plan / Do / Review process that we follow in the SEND department.

#### **Assess**

A problem has been recognised. A baseline has been collected to show where the child is now.

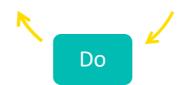

## Review

Child's skills are checked

- 1) Has the child made progress from when the baseline was collected?
- 2) Where is the child in comparison to the expected attainment for their age?

# Assess

#### Do

Intervention is put in place and amended as required.

## Plan

Intervention (known to work) is determined and proposed outcomes (i.e. What skills the child will achieve) are developed. The length of time that the intervention will run is determined.

# Glossary of SEND Acronyms & Abbreviations

ADD	Attention deficit disorder	LAC	Looked after child
